bath waste

WITH CONDENSATE ADAPTER

Innovative, flexible and designed with the plumber in mind!

True Blue's integrated locking features reduce the amount of tools needed for installation which reduces frustration and time.

FEATURES AND BENEFITS

- True Blue's integrated condensate adapter provides a convenient connection point for condensate lines running from air conditioners and other HVAC units.
- Integrated adapter means no extra solvent weld fittings required.
- 3/4" Male NPT Thread Adapter works with CPVC, PEX & Copper systems.
- 45 degree angle avoids tub shelf obstruction.
- Great for roof-mounted AC units when the nearest runoff point is the trap below the bathtub.

PEX

COPPER

CPVC
